Newbold Verdon Primary School and Community Centre

January 2017

Dear Parents/Carers,

Happy New Year!

After an extremely long and busy term before Christmas, we hope you took the opportunity to rest and enjoy your families throughout the Christmas break. We are now back into the swing of things and are looking forward to the term ahead.

We begin the new term with a whole school theme: 'Rainforests'. In this theme the children will learn about what a rainforest is and where in the world they can be located. They will learn about: the rainforest itself including climates, weather and the 4 different layers; about deforestation and its impacts on people and places; about different plant and animal life that can be found in the rainforest and about people that live in rainforests. Zoolab workshops have been arranged for the 18th and 19th January, so please ask your children about this! Our main topic for the remainder of the Spring term will be: 'Mysterious Mayas'.

Homework will remain the same: set on a Monday; due in the following Monday. We appreciate your continued support with this. Extra focus on reading comprehension is in place in preparation for the SATS in May, so reading at home is essential during this term.

Important dates for your information are:

Parents evenings – January 10th, 12th and March 7th, 8th

Swimming Gala – Saturday 11th March

Y6 Class Assembly- Friday 24th March

SATS week – Monday 8th May – Friday 12th May

Warning Zone Visit – Tuesday 13th June

Area Sports – Thursday 15th June

Year 5/6 production – TBC

Day out to Drayton Manor!- TBC

If there is anything you would like to discuss my door is always open. You are welcome anytime to share children's work, so please call in!

Yours sincerely,

Mrs Morgan and Mrs Haq
