Newbold Verdon Primary School and Community Centre

Dear Parents/ Carers,

Happy New Year and welcome back!

For the first half of the Spring Term our topic will be 'Rainforests.' This topic will be studied across the school for the first two weeks of this half-term to coincide with an exciting visit from Zoolab that we have arranged for the 18th and 19th January. We will be learning where Rainforests are located, the animals that live there and also comparing the rainforest climate to that of our own country.

As you may be aware all of the children have now been given their own locker in order to store all of their personal belongings. May we remind you that children should have both indoor and outdoor P.E. kits in school at all times (including appropriate footwear). Our usual P.E. sessions are as follows:

Year 1: Monday and Thursday
Year 2: Wednesday and Friday

Just a reminder that children are given an extra dragon wing for reading at least 5 times per week and we expect that all children should read at home a minimum of 3 times per week. Learning Log and My Maths homework will continue to be set, as well as spellings for Year 2 children and words to learn to read and write for Year 1 children.

We are looking forward to an exciting half-term with some fantastic experiences for the children.

We thank you for your continued support.
