

Understanding the World

Autumn Term 1

What do I know about me?

People, Culture and Communities (History) In this unit children are introduced to the concept that their family has a past and that there are generations in a family. They will develop their understanding about what is the same and different in the past compared to today. The children will talk about members of their immediate family and community.

Vocabulary:

- Mum/Step Mum
- Dad/Step Dad
- Sister
- Brother
- Grandma
- Grandad
- Aunt
- Uncle
- Cousin
- Family
- Family Tree

The Natural World (Science)

In this unit, children are introduced to exploring the natural world around them.

Vocabulary:

- Weather
- Hot
- Cold
- Windy
- Gusty
- Wet
- Dry
- Sunny
- Rain
- Drizzle

People, Culture and Communities (RE)

In this unit, children are introduced to which stories are special and why.

Children will develop their understanding of some religious stories and words and that keeping promises is a good thing.

Vocabulary:

- Religion
- Holy
- God
- Promises
- Pray

People, Culture and Communities (Geography)

In this unit children are introduced to where they live and where that is in Great Britain. They will develop their understanding about the different types of houses in Britain and their features. They will learn about the type of houses that African children live in and how they are the same/different.

Vocabulary:

- House
- Flat
- Bungalow
- Detached
- Semi-Detached
- Terraced
- City
- Town
- Village
- Newbold Verdon
