

PE & Sports Premium Funding 2020/21

This statement has been adapted from a previous year, however:

PE/Sports in school will be greatly affected by Covid 19
– please see our Risk Assessment for further details

Newbold Verdon PE Pledge

- To continue to provide opportunities for PE, healthy lifestyles and competition in school
- To maintain a minimum of 2 hours per week of PE in school
- To maintain our development of school sports within our network of schools
- To increase participation of physical activities and extra-curriculum clubs
- To provide staff training of sport throughout school
- To celebrate sport in and out of school
- To ensure our pupils are given every opportunity to succeed in sport
- To model, promote and develop healthy lifestyles
- To ensure areas for PE are safe

Newbold Verdon Primary School's Sports Premium 2020-21

What is the Sports Premium?

The Department for Education (DfE) has announced some changes to the Primary PE & Sport Premium pages on the [Gov.uk website](https://www.gov.uk) to reflect recent ministerial decisions on the allocation formula for the doubled Primary PE & Sport Premium.

The high level changes are that from September 2017:

Schools with 16 or fewer eligible pupils receive £1000 per pupil; and
Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil

This is a straight doubling of the previous formula and will mean that all schools will be able to deliver further improvements to their PE and Sport provision. The mechanism for payment will remain the same, with schools receiving 7/12ths of funding in Oct/Nov and the remaining 5/12ths in April/May. The webpage can be accessed HERE: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>.

Our PE Funding breakdown is at the end of this document.

Purpose of funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

For example, you can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the School Games
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

How will we be spending the Sports Premium and who will benefit?

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development. We also agree that all children should be encouraged to develop healthy lifestyles.

Monitoring the impact of the PE Funding

Successes from 2019-20 - Last year (heavily affected by Covid 19):

- We have been awarded the GOLD School Games Mark for PE and sport 2019/20.
- PE tournaments were well attended - until COVID19
- 15 children in year 3&4 that were deemed to be less active than their peers were selected to take part in a 6 week programme. This programme was an opportunity for them to be more active during the school day through a variety of activities/games and to also encourage them to achieve 60 minutes of daily exercise.
- Staff and pupils received yoga sessions from a qualified yoga instructor.

Successes from 2018-2019 (TWO YEARS AGO):

- We have been awarded the GOLD School Games Mark for PE and sport 2018/19.
- 37% of yr1 & 2 children had participated in a PE based extracurricular club.
- 69% of yr1 & 2 children had participated in a healthy/active lunchtime activity
- 63% of KS2 children had participated in a PE based extracurricular club
- 89% of KS2 children had participated in a healthy/active lunchtime activity
- 44% of KS2 children had represented the school in a PE Tournament
- 54% of yr1-6 had participated in a PE based extracurricular club (up 2% from previous year).
- 82% of yr1-6 had participated in a healthy/active lunchtime activity (up 3% from previous year).

Other successes in 2018-19 include:

- PE tournaments well attended.
- The children from the unit have been swimming.
- Year 4 again had tennis coaching provided by the local tennis club.
- Years 2, 3 & 4 again had cricket coaching.
- SAQ programme ran for the whole year in the mornings to help improve core strength and concentration in school.
- SAQ interventions have taken place for identified EYFS children.
- SMARTMOVES initiative ran during Autumn/Spring Term (with 32% of KS1 children taking part in the weekly sessions). Teachers noticed increased attention and improved coordination.
- 12 children in yr. 3&4 that were deemed to be less active than their peers were selected to take part in a 6 week programme. This programme was an opportunity for them to be more active during the school day through a variety of activities/games and to also encourage them to achieve 60 minutes of daily exercise.
- The staff CPD package has had very positive feedback - here the staff 'observed/team-taught' with a coach to develop an area of PE they were less confident in.
- Children from years 4, 5, 6 identified as being talented at PE undertook a programme built around the 5 elements of a talented performer: The emphasis was upon self-evaluation and identifying their strengths and weaknesses.

How we intend to spend the Sports Premium during 2020-2021 and how we will monitor its success.

The DfE states that: Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- **Develop or add to the PE, physical activity and sport activities that your school already offers**

We (Newbold Verdon Primary School) will continue to pay into HABSSPAN (Hinckley and Bosworth School Sport and Physical Activity Network) who coordinate participation in lifelong physical activity for all young people. They provide tournaments for us to participate in and progress to higher level tournaments. They also provide schemes in school like 'Sports Leadership, Change4life clubs, Balance Bike packages, Active Travel initiatives, British Judo sessions'. **During the 2020-21 year we will pay £ 2768 to buy into the HABSSPAN offer.**

We will continue to use sports coaches to add to the free lunchtime and after-school clubs we offer (we use Metcalf Sports and CoachUnlimited). **During the 2019-20 year we will pay Metcalf Sports £5890 to deliver 2 afterschool clubs and 3 lunchtime clubs.**

During the 2019-20 year we will pay CoachUnlimited £6200 to deliver PE Staff CPD/lunchtime clubs/afterschool clubs/swimming teaching

- **Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. We will continue to use SAQ to benefit EYFS children joining our school (and children from other year groups where appropriate). We have Sports Leaders and Girls Active Leaders to help sustain active lunchtimes and promote healthy lifestyles.

Schools can use the premium to secure improvements in the following indicators:

- **The engagement of all pupils in regular physical activity**

We will continue to provide regular PE lesson across the school, provide active lunchtimes, before and after school clubs and provide Sports Leaders to oversee these activities and encourage engagement. We will aim to increase our delivery of active lessons.

- **The profile of PE and sport is raised across the school as a tool for whole-school improvement**

A PE Action Plan is part of the whole school development document. We will

continue to have extra-curricular clubs, a PE notice board, celebrate PE in assemblies and on social media and raise the profile of being active at lunchtimes.

- **Increased confidence, knowledge and skills of all staff in teaching PE and sport**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. Further training opportunities will be explored and shared with staff.

- **Broader experience of a range of sports and activities offered to all pupils**

We will look into delivering a range of sports this year (Skipping, Archery and Balance Bikes).

- **Increased participation in competitive sport**

During 2018-19 44% of KS2 children had represented the school in a PE Tournament. Further opportunities provided in the HABSSPAN PE offer will continue this participation.

You can use your funding to:

- **Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. Staff are confidently using a scheme of work that compliments the CPD.

- **Hire qualified sports coaches to work with teachers to enhance or extend current opportunities**

- see above

- **Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities**

We will look into delivering a range of sports this year (Skipping, Archery and Balance Bikes).

- **Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs**

We will continue to use HABSSPAN and Sports Coaches to provide opportunities for our less active children. We are delivering a Change4life Club in 2020/21.

- **Enter or run more sport competitions**

We will continue to use HABSSPAN to take part in competitions and participate in their virtual competitions next year

- **Partner with other schools to run sports activities and clubs**

We will continue our partnership with HABSSPAN

- **Increase pupils' participation in the School Games**

We will continue our partnership with HABSSPAN

- **Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school**

We will continue with our Sports Leaders and Girls Active Leaders and continue with Sports Coaches to mentor them.

- **Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2**

We will continue using a Sports Coach to assist in delivering swimming lessons and to mentor teaching staff.

- **Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching**

We will look to take up any HABSSPAN offers on active travel, we use lunchtime supervisors and Sports Leaders to deliver active playgrounds and PE Coordinator will share further ideas for active lessons with staff.

Active miles

We are going to introduce a 'Daily Boost Skipping Challenge' where each class will be challenged to fit in 15 minutes of skipping every day in school. The Daily Boost aims to encourage children and young people to do 15 minutes of organised activity at school every day, benefiting their long-term physical and mental health and wellbeing.

Accountability / Ofsted inspections

- **Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.**

The PE Coordinator will use the information on the school website and his subject monitoring to be ready for an Ofsted Inspection. The PE Coordinator's Action Plan and its monitoring will be shared with the governors.

Monitoring the sustainability of the PE Funding

- The CPD package that our staff receive will ensure that all staff are confident to plan and deliver a range of PE units in line with the curriculum expectations.
- We are committed to the long term encouragement of healthy lifestyles. Our school will continue to provide opportunities during break times, lunchtimes, extra-curricular clubs and active lessons.
- Our links with local PE providers and local clubs will provide motivational and inspirational benefits for our children.
- We will continue to be part of HABSSPAN which will ensure sustained PE leadership in school, future CPD opportunities and continue school games competition.

PE Funding Analysis 2020-21 (current school year)

Red = staff training/CPD

Blue = healthy lifestyle choices /promotion

Green = competitive opportunities

Black = other

Expected PE Funding £18,060

Activity / Resource	Cost	Impact/Benefits
Staff PE CPD (2 hours per week)	£6200	Continued professional development for staff supplied by Coach Unlimited.
Lunchtime/After School Clubs/Swimming Lessons		Providing free clubs and to train up Sports Leaders for KS1&KS2 pupils supplied by Coach Unlimited. The clubs will also be used for training children up for local school tournaments. We will continue using a Coach Unlimited Sports Coach to assist in delivering swimming lessons and to mentor teaching staff.
Metcalfe Multisport	£5890	To deliver lunchtime active clubs and train up sports leaders. To deliver a boys and girls football clubs for the year. Our school football teams will be chosen and coached from this club.
HABSSPAN Primary Schools PE Offer	£2768	To support schools to make additional and sustainable improvements to the provision of PE and school sport. Encouraging the development of healthy, active lifestyles for the benefit of all pupils and to access School Games level 2 competitions. See above for further information.
Total Spent to Date:	£14,858	

See the previous pages above for how we will monitor our successes.
