---

**Revised August 2015**

## **1. Introduction**

- 1.1 The School Admissions (Co-ordination of Admission Arrangements) Regulations 2008 require local authorities to have a scheme covering every maintained school (but not special schools) in its area. Regulations require local authorities (LAs) to exchange specified information with their neighbours. The purpose of a co-ordinated scheme is to establish mechanisms for ensuring, as far as reasonably practical, that every parent of a child living within the LA who has applied for a school place in the normal admission round receives an offer of one, and only one, school place on the same day.
- 1.2 The duty to comply with parental preference is not affected by co-ordinated admission arrangements, except where more than one place could be offered. Nor do co-ordinated scheme affect the rights and duties of governing bodies of own schools which act as their own admissions authority (e.g. voluntary aided and foundation) schools to set and apply their own admission arrangements and oversubscription criteria.
- 1.3 All local authorities are required, by section 88M of the SSFA and the Co-ordination Regulations 2007, to have in place a scheme each year for all maintained, Trust, Foundation, Voluntary Aided schools and Academies in their area. Any changes to arrangements for coordinating these applications must be formulated by 1 January 2011 each year unless they remain unchanged. In which case this will fulfil the legal requirement to formulate a scheme.
- 1.4 For Leicestershire schools the local authority will continue to co-ordinate offers for primary school places, both in-year and at the normal admissions round.

## **2. Main obligations imposed by the regulations**

School Admissions Code December 2014 applies.

- 2.1 The common application must allow parents to express at last 3 preferences, which may be for schools within or beyond their home local authority area, and the reasons for their preferences.
- 2.2 Local authorities and admission authorities in the area must exchange information on applications made and potential offers by the last working day in March in the offer year (as specified in the regulations).

- 2.3 Local authorities must pass information on applications to other local authorities about applications to schools in their area. The maintaining local authority must inform the home local authority if it intends to offer a place, by the dates specified in the scheme.
- 2.4 The maintaining local authority must tell the home local authority if it could offer a place. The home local authority may take account of this in deciding whether or not to offer the parent a place at a school in its own area, but must explain its intentions clearly to parents in its composite prospectus.
- 2.5 Offers of places must be sent on **16<sup>th</sup> April 2017** (or the next working day if the **16<sup>th</sup> April 2017** is not a working day) in the year during which a child will be admitted to school by the home local authority. Schools must not contact parents about the outcome of their application until after these offers have been received. Only the local authority can make an offer.
- 2.6 Parents who cannot be offered one of their preferred schools must be advised of how to enquire about availability of places at other schools.
- 2.7 It remains a requirement to co-ordinate fully across borders. The home authority will make the offer of a single place.
- 2.8 Schemes must continue after the offer date to ensure that places which become available are reallocated effectively.

### **3. Administration of the Scheme for first time admissions to Infant and Primary schools:**

NB<sup>1</sup> For all dates mentioned below, if the date is not a working day, then close of business on the next working day applies.

NB<sup>2</sup> Leicestershire schools which receive direct applications in error must inform Leicestershire LA whether or not the parent lives in the area so that the home LA can ensure that the parent has received an application.

- 3.1 Leicestershire LA's first time admission application invites all parents resident in the LA to name their preferred school(s) by **15<sup>th</sup> January**. Parents may express a preference for at least three schools and those preferences must be ranked. It is made clear that parents should name all schools at which they wish their child to be considered for a place, including any foundation, voluntary aided, trust or academy school. Parents are recommended to include their catchment area school in their preferences. Although parents must rank their preferences, all preferences will be treated as equal by admissions authorities in applying their own admissions policies. Ranking only applies when more than one school can be allocated as a means to decide which school should be offered, i.e. the school with the highest ranking by the parent which can offer a place will be the school offered.
- 3.2 Leicestershire residents who wish to apply for a school within the area of another local authority must do so by applying to their home authority i.e. Leicestershire. Non-Leicestershire residents who wish to apply for a place in

Leicestershire must apply through their home authority who acts as their agent and shares information with Leicestershire.

- 3.3 By **30<sup>th</sup> January** Leicestershire LA will share their application information of those Leicestershire residents who have applied for school places with other LA's. Files from other LA's should also be received at this time to be imported into ONE and validated according to Leicestershire's criteria.
- 3.4 By **10<sup>th</sup> February** Leicestershire will then share their application data with the Leicestershire Admissions Authority Schools e.g. Voluntary Aided, Academy, Trust, and Foundation for the school Governors to apply their admissions criteria then rank the list of applications according to their admission criteria, to return to Leicestershire LA, The list should indicate the order in which all children for whom application to the school has been made, have priority by reference to the over-subscription criteria. Although applications need to be assessed and grouped against the criteria, admission authorities of seriously over-subscribed schools need not give rankings to individual applicants except where a priority group falls across the Admission number (AN). They do, however, need to notify the LA of those children who are next in line, should places become available as a result of applying the scheme.
- 3.5 Leicestershire LA applies its own admissions criteria to requests for places in community, voluntary aided and those academy schools who have adopted the LA's admissions policy, whether applications have come direct from parents resident in Leicestershire or those who are resident in other authorities and have applied via their home authority.
- 3.6 Leicestershire LA then compares the lists from all schools in its area. Where a child qualifies for more than one offer of a place, a place would be offered at the school which was highest up the parents' order of ranking. For applicants living in other local authorities, Leicestershire notifies the home LA whether or not it is able to offer a place in line with any preferences made.
- 3.7 Leicestershire LA then adjusts the list for any other school for which a preference was expressed by that parent, moving another child, who was previously not eligible to be allocated a potential place up the list to a provisional place, which has been vacated.
- 3.8 By **20<sup>th</sup> March** Leicestershire LA will also have received notifications from other local authorities of any places which that LA or schools in their area can offer in response to any preference expressed by Leicestershire residents. There will be, at most, one such offer from the home LA. If no preferred school in Leicestershire LA can be offered, Leicestershire LA will not look for an alternative place if it knows that another LA will be making an offer of a place.

If Leicestershire LA is made aware that another LA will be making an offer of a place in a school which is higher up the parent's order of ranking than the school to be offered by Leicestershire LA, then Leicestershire LA will not make an offer for a place in a Leicestershire school.

- 3.9 On national offer day of **16<sup>th</sup> April** (or the next working day if the **16<sup>th</sup> April 2017** is not a working day) Leicestershire LA sends all Leicestershire schools the final lists of pupils allocated places.

- 3.10 On national offer day of **16<sup>th</sup> April** (or the next working day if the **16<sup>th</sup> April 2017** is not a working day) Leicestershire LA contacts every resident parent who completed an application to inform them of the outcome of their requests.
- 3.11 Late applications and requests for changes to list of preferences will be dealt with as follows:

**Received after 15<sup>th</sup> January closing date but before 16<sup>th</sup> April**

When Leicestershire LA considers that applications are received late for a good reason, e.g. when a single parent has been ill for some time, or a family has moved into the area since **15<sup>th</sup> January** or a family are returning from abroad, these will be considered along with the applications received before the deadline, providing documentary evidence of the reason for lateness is also received. Changes of address after **15<sup>th</sup> January** will not be considered as late applications. [Applications received once the IT system is in the final stages of processing (for 2017 this is **20<sup>th</sup> March**) will be held until **5<sup>th</sup> May** (see below, received after 16<sup>th</sup> April) and will be dealt with as late.]

Any other applications will be considered to be late and will not be dealt with until after places have been allocated to those who met the deadline.

**Received after 16<sup>th</sup> April**

These will be dealt with as a whole batch with a closing date of **5<sup>th</sup> May** with decisions sent out after **5<sup>th</sup> May**. After **5<sup>th</sup> May** any further late applications will be dealt with as and when they arrive.

- 3.12 Admission applications received after the normal admission round will be handled as quickly as possible, according to Leicestershire's admissions policy.
- 3.13 All admitting authorities must maintain over-subscription waiting lists (OSLs) for a minimum of the Autumn Term in the academic year of admission, ranked in the same order as the published oversubscription criteria.

**4. Administration of the Scheme for Infant to Junior transfers and Infant to Primary school:**

NB<sup>1</sup> For all dates mentioned below, if the date is not a working day, then close of business on the next working day applies.

NB<sup>2</sup> Leicestershire schools which receive direct applications in error must inform Leicestershire LA whether or not the parent lives in the area so that the home LA can ensure that the parent has received an application form.

- 4.1 Application information is sent to parents from **1<sup>st</sup> September**. Leicestershire's application information invites all parents resident in Leicestershire to name three preferred schools, in order of preference by close of business on **15<sup>th</sup> January** for admission the following September. It is made clear that parents should name all schools at which they wish their child to be considered for a place including their catchment area school or any foundation or voluntary aided school.
- 4.2 The remainder of scheme will follow the first time admissions timetable as detailed from 3.2 to 3.13.
- 4.3 For those applications seeking a transfer from an infant school to a primary school, these will be considered as in-year (mid-term) transfers. Parents and guardians will be asked whether they wish their child to move immediately, or be considered for mid-term transfer at the end of the summer term for a September start.

## 5. Primary Scheme Timetable (All schools)
