

# RAINFORREST

In this theme the children will learn about what a rainforest is and where in the world they can be located. They will learn about: the rainforest itself including climates, weather and the 4 different layers; about deforestation and its impacts on people and places; about different plant and animal life that can be found in the rainforest and about people that live in rainforests.

## Year 6

## Literacy

Arguments and debates  
Information texts  
Newspaper reports  
Diaries, recounts  
Stories – 1<sup>st</sup> and 3<sup>rd</sup> person  
Spelling, punctuation,  
grammar  
Reading comprehension

## Science

Electricity and circuits

## Numeracy

Place value  
Decimal, fractions, percentages  
Reasoning and problem solving  
Measures  
Shape and their properties  
Ratio and proportion  
Algebra
